The Thesaurus Thesaurorum or the Treasures of Treasures of the Brotherhood of the Golden Rosy-Cross Adam Goldsmith

For the first time ever, an English translation of 'The Thesaurus Thesaurorum or the Treasures of Treasures of the Brotherhood of the Golden Rosy-Cross' has been brought to light.

Never before has such a collection of some of the most secretive processes in alchemy been available to the general public. The theories & processes detailed in this book were highly secretive, and only available to the 77 members of the 8th degree Magister grade of the Golden R+C fraternity. This order included certain kings, leaders of state, scientists, philosophers, and other individuals of high stature.

This book is composed of four sections. The first is dedicated to the rules & guidelines of the Brotherhood of the Golden R+C. The second is dedicated to the various processes designed to produce the Philosopher's Stone. The third is dedicated to the magick of alchemy, and other theurgical operations an alchemist/mage can utilize to produce the illustrious Stone of the Wise. The fourth is dedicated to the various alchemical, spagyric, archemical, and chemical operations used to produce a wide variety of materials, chemicals, tinctures, acids, bases, and more of interest to alchemist in his quest for the Philosopher's Stone.

Translated to English, Revised, Edited, and Compiled by Adam Goldsmith & VITRIOL Publishing in 2012.
