Please note: The WunderKeys Book Series is intended to be used in conjunction with the Wunderkeys Piano For Preschoolers program. While available to everyone, the books are best used by Registered Wunderkeys Teachers who have access to the additional lesson materials and supplementary activities online.

Sorting Sounds is the first of three books in the WunderKeys Piano for Preschoolers program. This one-on-one, story-based piano program takes very young children with no prior musical experience on a magical journey where they acquire the piano skills, keyboard awareness, and rhythmic understanding needed for a successful future at the piano. But wait... there's more! As our slogan states, WunderKeys gives preschool-aged children a head start in music, MATH, and life. That's right... math! But you don't need to be a math expert to teach this program. In fact, the math is so well integrated into each piano lesson that you will not even realize you are teaching valuable introductory math skills... it simply feels like you're leading your preschool student or child on a wonderful piano adventure.

Be sure to check out *WunderKeys Book 2 - Predicting Patterns* and *WunderKeys Book 3 - Recognizing Rhythm*.
