A Memory Worth Dying For Joanie Bruce

"Do Not Return To Texas!" Marti Rushing gets the message, loud and clear. If she returns to Texas, her life is in danger. If she stays in Tennessee, she's safe. But when she receives a letter telling her that Daniel, her ex-husband and the love of her life, is dying, she knows she has to defy the stalker and return to Texas to see him. Three years ago, Daniel accused her of things she couldn't remember doing. Without waiting for an explanation and after four wonderful years of marriage, Daniel kicks her off of his family's Quarter Horse ranch. Now, three years after their separation, he walks into her art reception in Tennessee and acts like he doesn't remember her. Does the memory loss have anything to do with the letter she received, or is Daniel pretending? Is he the one stalking her, or is it someone with a deadly, sinister motive? Ignoring the deadly warnings, she leaves for Texas, but on the way there, the attempts on her life begin. Will she be able to evade her pursuer's attacks? Or will Daniel's face be the last one she sees?
