Product Manufacturing and Cost Estimating using CAD/CAE: The Computer Aided Engineering Design Series Kuang-Hua Chang

This is the second part of a four part series that covers discussion of computer design tools throughout the design process. Through this book, the reader will...

- ...understand basic design principles and all digital design paradigms.
 - ...understand CAD/CAE/CAM tools available for various design related tasks.
 - ...understand how to put an integrated system together to conduct All Digital Design (ADD).
 - ...understand industrial practices in employing ADD and tools for product development.
-
- Provides a comprehensive and thorough coverage of essential elements for product manufacturing and cost estimating using the computer aided engineering paradigmCovers CAD/CAE in virtual manufacturing, tool path generation, rapid prototyping, and cost estimating; each chapter includes both analytical methods and computer-aided design methods, reflecting the use of modern computational tools in engineering design and practiceA case study and tutorial example at the end of each chapter provides hands-on practice in implementing off-the-shelf computer design toolsProvides two projects at the end of the book showing the use of Pro/ENGINEER® and SolidWorks® to implement concepts discussed in the book

From reader reviews:

Frank Arnett:

This Product Manufacturing and Cost Estimating using CAD/CAE: The Computer Aided Engineering Design Series book is not really ordinary book, you have after that it the world is in your hands. The benefit you obtain by reading this book is definitely information inside this reserve incredible fresh, you will get information which is getting deeper a person read a lot of information you will get. This Product Manufacturing and Cost Estimating using CAD/CAE: The Computer Aided Engineering Design Series without we understand teach the one who studying it become critical in pondering and analyzing. Don't end up being worry Product Manufacturing and Cost Estimating using CAD/CAE: The Computer Aided Engineering Design Series can bring when you are and not make your handbag space or bookshelves' turn into full because you can have it inside your lovely laptop even telephone. This Product Manufacturing and Cost Estimating using CAD/CAE: The Computer Aided Engineering Design Series having very good arrangement in word in addition to layout, so you will not really feel uninterested in reading.

Jennifer Stephens:

Reading a book for being new life style in this season; every people loves to study a book. When you read a book you can get a lot of benefit. When you read publications, you can improve your knowledge, since book has a lot of information in it. The information that you will get depend on what sorts of book that you have read. If you would like get information about your research, you can read education books, but if you act like you want to entertain yourself look for a fiction books, such us novel, comics, and also soon. The Product Manufacturing and Cost Estimating using CAD/CAE: The Computer Aided Engineering Design Series provide you with new experience in examining a book.

Lorraine Vargas:

You are able to spend your free time to study this book this guide. This Product Manufacturing and Cost Estimating using CAD/CAE: The Computer Aided Engineering Design Series is simple to create you can read it in the park, in the beach, train along with soon. If you did not have got much space to bring typically the printed book, you can buy the actual e-book. It is make you much easier to read it. You can save typically the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Cassandra Harvey:

Many people said that they feel fed up when they reading a publication. They are directly felt the item when they get a half areas of the book. You can choose the book Product Manufacturing and Cost Estimating using CAD/CAE: The Computer Aided Engineering Design Series to make your reading is interesting. Your skill of reading talent is developing when you just like reading. Try to choose simple book to make you enjoy you just read it and mingle the sensation about book and studying especially. It is to be very first opinion for you

to like to open up a book and go through it. Beside that the book Product Manufacturing and Cost Estimating using CAD/CAE: The Computer Aided Engineering Design Series can to be your friend when you're sense alone and confuse with what must you're doing of that time.
