Breve historia de los celtas (Spanish Edition)

Manuel Velasco

Breve historia de los celtas (Spanish Edition) Manuel Velasco

“Una obra que introduce en una larga y desconocida historia de siglos a través de personajes tan conocidos en el imaginario popular como Viriato, Vercingetórix o Boudicca y hechos que han provocado la admiración de la historia como la heroica resistencia de la ciudad de Numancia o el saqueo de Roma.”

(Revista Digital Esfinge)

“Breve Historia de los Celtas, rubricado por Manuel Velasco y publicado por Nowtilus es un trabajo que le ayudará a conocer la asombrosa variedad de una nación que se extendió por toda Europa, desde Grecia hasta España, e hizo del mestizaje su bandera.”

(Web Biblioteca Manuel Velasco).

Conocer a los celtas es conocer una parte de aquello que nos hace europeos.

El libro nos introduce en la cultura, los héroes, los ritos, la mitología y la vida cotidiana, de un pueblo que se extendió por Austria, Suiza, Francia, Bélgica, España, Reino Unido y, por supuesto, Irlanda.

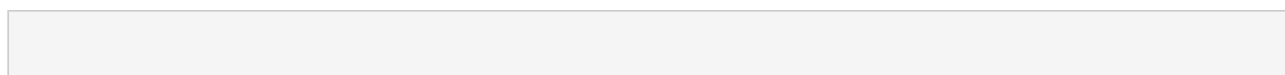

Dividido en tres partes, **Manuel Velasco** nos narra en la primera la historia de su legendaria resistencia a la conquista romana, a través de tres figuras fundamentales: el hispano-luso Viriato, el galo Vercingetórix, y la británica Boudicca, reina guerrera que arrasó la ciudad de *Londinum* (Londres); completa este apartado una completa descripción de la vida cotidiana de los celtas en Irlanda. La segunda se ocupa de la religión y la mitología, el paso fundamental de una mitología arcana y politeísta, a un cristianismo impulsado por San Patricio. En la tercera se incluye una valiosísima información complementaria sobre el idioma y la escritura, los nombres celtas y los lugares emblemáticos de esta cultura (finisterres).

Razones para comprar el libro:

- Conocer una cultura que determina la identidad europea.
- Incluye un completo glosario de deidades y varias fábulas celtas.
- La tremenda actualidad de la cultura celta en música, literatura y cine.
- El éxito de ventas de libro.

Fundamental para todos aquellos interesados en misterios como Stonhenge, Carnac o las tradiciones mágicas de los druidas, pero también para aquellos que quieran recrear la vida cotidiana y los ritos de un pueblo que está en la base de autores tan dispares y populares como Goscinn y Uderzo, y J.R.R. Tolkien.

Un libro de gran aceptación ya que va por su tercera edición en libro impreso.
