While I was in high school, she published her research paper unit as a book, and I used it to write my papers. Then, as a college student, I became dependent on it as a resource. Now that I am an English teacher, too, (with a crucial pit stop of student teaching in her classroom), I have been on the teaching side of her process. This book is the most complete research paper learning tool I have encountered." Tom Tuttle, Starbuck Middle School, teacher, Racine Unified School District "I love this book! It made writing a research paper so much easier than I thought it would be! Just relax. The book will help you be organized. Make sure all your steps are done and turned in, and your whole paper will be done on time.
