**WATCH OUT!**

This book is different than every book you've ever read.

Don't believe me?

**Have you ever read a book that's about you? *This book is!***

YOU get to choose what happens next - and even how the story will end.

Your parents are scientists and inventors. One day, they throw some pieces of a robot into the trash. If you can figure out how to put the pieces together, you'll have a robot of your very own! But do you know enough to control it? Are you ready for the adventures your very own robot will bring?

Do you dare dive into a vat of ice cream to save your robot?

Do you take your robot with you to school?

Should you try to fight off the pirates who want your robot?

YOU choose what happens next! Good luck...
