Innocence isn't meant for the addictive...The next sultry affair in the *New York Times* bestselling Sea Breeze Collection by Abbi Glines is unstoppably steamy.

Addiction is part of Krit Corbin's nature—and women have always been his favorite obsession. But that's the life of a lead singer in a band. He can have any woman he wants—anywhere, anytime. Well, except for one.

Blythe Denton is used to being alone. The minister's family who raised her never accepted her as their own, and the cruel minister's wife made sure Blythe understood just how unworthy she was of love. So when she finally gets the chance to live by herself, Blythe takes it and moves into an apartment building with a loud upstairs neighbor who keeps throwing parties all night long.

It's during one such party when Krit opens the door to find his new neighbor standing there. Blythe wants him to turn down the music, but he convinces her to stay. She's nothing like the women who parade in and out of his apartment, but Krit can't resist her—her brown hair, cute glasses, and sexy innocence is too much for him to ignore.

Determined to win Blythe over, Krit Corbin may have just found his biggest addiction yet.
