Baillere's Comprehensive Veterinary Dictionary Baillieres

A comprehensive veterinary dictionary encompassing all aspects of veterinary science. The book has over 52,000 entries with clear definitions and extensive cross-referencing covering small, large and exotic animal information. The extensive coverage ensures that the reader has an essential companion for constant use to check spellings, find meanings to unfamiliar terms and as an aid to study. The extensive appendices are a unique source of laboratory services, anatomy, clinical data and measurement conversions. The authors are international authorities in large animal medicine and small animal practice, respectively. With help from other experts in specialist fields, the coverage and detail make this dictionary a companion text for all those with an interest in the field.
