## **Forse Esther (Fabula) (Italian Edition)** Katja Petrowskaja

Si sarà proprio chiamata Esther quella bisnonna che, nella Kiev del 1941, chiese fiduciosa a due soldati tedeschi la strada per Babij Jar, la fossa comune degli ebrei, ricevendone come risposta un distratta rivoltellata? Forse. E dell'intera famiglia, dispersa fra Polonia, Russia e Austria, che cosa ne è stato? Il monolite sovietico conosceva l'avvenire, non la memoria. Per ricostruire quella ramificata genealogia, quel vivace intreccio di culture e di lingue – yiddish, polacco, ucraino, ebraico, russo, tedesco –, Katja Petrowskaja intraprende, sulle tracce degli scomparsi, un intenso viaggio a ritroso nella storia di un Novecento sul quale incombono la stella gialla e quella rossa, e in cui si incrociano i destini di memorabili figure: la babuška Rosa, incantevole logopedista di Varsavia, che salva duecento bambini sopravvissuti all'assedio di Leningrado; il nonno ucraino, prigioniero di guerra a Mauthausen e riemerso da un gulag dopo decenni; il prozio Judas Stern, che spara a un diplomatico tedesco nella Mosca del 1932, e dopo un processo-farsa viene spedito «nel mondo della materia disorganizzata»; il fratello Semën, il rivoluzionario di Odessa, che passando ai bolscevichi cambia in Petrovskij un cognome troppo ebraico... Ma indimenticabili protagonisti sono anche i paesaggi: l'immane pianura russa invasa dai tedeschi e le città della vecchia Europa: Kiev, Mosca, Varsavia, Berlino. E i ghetti, i gulag e i lager nazisti. In questo romanzo vero, vibrante, venato di ironia – il migliore che la letteratura tedesca ci abbia dato dopo "Austerlitz" di Sebald –, mondi inabissati risorgono vividi, rapinosi, e più che mai contemporanei.
