Rokugan is a place of enchantment, as well as honor and courage. The Elemental spirits known as the kami inhabit every place and every thing, and those who are blessed with the gift of communicating directly with them can tap into their power and unleash forces that others can scarcely imagine. The kami that reside in physical objects have also been known to awaken on their own, or in response to human stimulation, thereby creating items with supernatural powers that are both revered and respected in all corners of the Empire.

br> **Prayers and Treasures** is a comprehensive guide to magic in Legend of the Five Rings Roleplaying Game Third Edition, encompassing not only the shugenja's art, but also the vast range of magic items that can be found in Rokugan.
