Have you ever heard or read about the Nephilim of Genesis 6? Did you know that the Bible explains the mystery of all of the megalithic structures found worldwide, when humanity supposedly possessed mere stone implements and the most basic agriculture and agrarian techniques? Did you further know that the breeding of angels with the daughters of humanity led to the unnatural birth of this hybrid race of beings responsible for constructing the aforementioned structures and that their appetites were so voracious that they began to feed on the flesh and blood of humanity? This sequence of events, in fact, inspired the great flood. In *Sons of God*, Garcia seeks to help readers recognize the realities of our ancient past so that, in remembering the story, they can realize who they are and why they are they here.
