The Boggart

Susan Cooper

The Boggart Susan Cooper

When Emily and Jess Volnik's family inherits a remote, crumbling Scottish castle, they also inherit the Boggart -- an invisible, mischievous spirit who's been playing tricks on residents of Castle Keep for generations. Then the Boggart is trapped in a rolltop desk and inadvertently shipped to the Volnik's home in Toronto, where nothing will ever be the same -- for the Volniks or the Boggart.

In a world that doesn't believe in magic, the Boggart's pranks wreak havoc, particularly for Emily, who is accused of causing psychic disturbances. And even the newfound joys of peanut butter and pizza and fudge sauce eventually wear thin for the Boggart. He wants to go home -- but his only hope lies in a risky and daring blend of modern technology and ancient magic.
