More than 1,100 pages of international art crime mysteries.

#1 The Gauguin Connection

Murdered artists. Masterful forgeries. Art crime at its worst.

As an insurance investigator and world renowned expert in nonverbal communication, Dr Genevieve Lenard faces the daily challenge of living a successful, independent life. Particularly because she has to deal with her high functioning Autism. Nothing - not her studies, her high IQ or her astounding analytical skills - prepared her for the changes about to take place in her life.

It started as a favour to help her boss' acerbic friend look into the murder of a young artist, but soon it proves to be far more complex. Forced out of her predictable routines, safe environment and limited social interaction, Genevieve is thrown into exploring the meaning of friendship, expanding her social definitions, and for the first time in her life be part of a team in a race to stop more artists from being murdered.

#2 The Dante Connection

Art theft. Coded messages. A high-level threat.

Despite her initial disbelief, Doctor Genevieve Lenard discovers that she is the key that connects stolen works of art, ciphers and sinister threats.

Betrayed by the people who called themselves her friends, Genevieve throws herself into her insurance investigation job with autistic single-mindedness. When hacker Francine appears beaten and bloodied on her doorstep, begging for her help, Genevieve is forced to get past the hurt of her friends' abandonment and team up with them to find the perpetrators.

Little does she know that it will take her on a journey through not one, but two twisted minds to discover the true target of their mysterious messages. It will take all her personal strength and knowledge as a nonverbal communications expert to overcome fears that could cost not only her life, but the lives of many others.

#3 The Braque Connection

Forged masterpieces. Hidden messages. A desperate swan song.

When world-renowned nonverbal communication expert Doctor Genevieve Lenard wakes up in an unknown location, drugged and kidnapped, it pushes the limits of her autism coping skills.

For the last year, Russian philanthropist and psychopath Tomasz Kubanov has been studying Genevieve just as she and her team have been studying him. Now forged paintings and mysterious murders are surfacing around her team, with evidence pointing to one of them as the killer.

Genevieve knows Kubanov is behind these senseless acts of violence. What she doesn't understand are the inconsistencies between his actions and the cryptic messages he sends. Something has triggered his unpredictable behaviour, something that might result in many more deaths, including those she cares for.

Because this time, Kubanov has nothing to lose.
