Atonement: The Person and Work of Christ Thomas F. Torrance

This companion volume to T. F. Torrance's *Incarnation: The Person and Life of Christ* presents the material on the work of Christ, centered in the atonement, given originally in his lectures delivered to his students in Christian Dogmatics on Christology at New college, Edinburgh, from 1952-1978. Like the first volume, the original lecture material has been expertly edited by Robert Walker, complete with cross-reference to Torrance's other works. Readers will find this the most readable work of Torrance and, together with *Incarnation*, the closest to a systematic theology we have from this eminent theologian.
