Dark Hollow Wolf Pack Series, Vol 3 by Shannon West

Volume three in Shannon's acclaimed shifter series! Includes: Bloodlust (#9), Blood of the Alphas (#10), Heartsblood (#11), and Bad Wolf (#12).

Bloodlust

Forty miles east of New Orleans, dog tired and out of money, nineteen year old Jax and his little brother are on the run. They stop for breakfast at a roadside café and have a run-in with the leader of a tough looking motorcycle gang. His name is Cade D'Allisande, an alpha wolf leading his pack to a new home in North Carolina, hoping to join the Dark Hollow Wolf Pack. Cade instantly recognizes his bloodlust mate, an intense and rare blood match that forms an alpha pair. The trouble is Cade isn't ready for a mate. Unable to leave him behind, he convinces the young man to join their group and takes him with them on their journey to find a new home. But once there, an old enemy of the Pack threatens their happiness, and Jax, Nicky and Gabe must team up to save their mates.

Blood of the Alphas

While working on Cade and Jax's new lodge, their beta, Rayce, notices someone watching them from the hillside. Taking the man captive, Rayce is shocked to find his own blood mate. The new man, Tyler Adams, is a good looking actor, and surprisingly, his father was a Werekin. He says he's only there to see the wolves in action, but no one believes him. The alphas believe the Hunters have returned. Rayce is torn between protecting his mate and discovering his secrets. Meanwhile, Jax and Cade are having problems with their new bloodlust connection and Nicky is about to start on a journey of discovery, not only about himself, but about his place in the wolf hierarchy.

Heartsblood

Nicky finally has the close connection with Marco he's wanted for so long—the bloodlust—a rare and little understood phenomena that changes a pet into an alpha wolf. But Nicky's bloodlust was given to him by his sworn and deadly enemy, Jeremy Tate, for reasons known only to him, and he soon discovers that the wolf inside him is dangerously insane. When Gabe and Zack come to see the changes in Nicky, Gabe discovers something else about the wolf inhabiting Nicky's body—something that threatens their friendship and causes Zack to attack Nicky. Will the alphas be able to tame and control this dangerous wolf or will it threaten not only Nicky and Marco's relationship, but their lives as well?

Bad Wolf

When Connor goes out for the evening, he thinks it's just going to be another boring Saturday night. And then the fireworks start. An out of control pickup runs a red light, striking Connor's car and causing a three car pile-up. When Connor rushes to rescue an unconscious driver, he's surprised to find his blood match and even more shocked when his friend Rayce recognizes the man as the worst enemy of the Dark Hollows wolf pack—the infamous Jeremy Tate. EMTs rush them to the hospital where Connor effects a daring escape with his unconscious mate. After spending time with him in a hotel, Connor's ready to bring his mate home, but the pack is horrified. Nicky and Marco want to kill Jeremy, Cade and Jax are concerned about Connor and everyone's in shock. Can Connor pull this off or will the impossible situation blow up in his face?
