El Otono del Patriarca (Spanish Edition)

Gabriel Garcia Marquez

El Otono del Patriarca (Spanish Edition) Gabriel Garcia Marquez

El tema de "El otoño del patriarca", que por su estructura y su lenguaje no tiene precedentes en la literatura latinoamericana y ni siquiera en la obra del autor, son las ilusiones y la soledad irremediable del poder encarnadas en una figura anónima y mítica que es la de muchos patriarcas de la América Latina pero también, de algún modo, el protagonista ejemplar de las calamidades y tribulaciones humanas que aquí se manifiestan como representaciones de un delirio omnipotente y solitario, de destrucción y pesadumbre. El autor de "Cien años de soledad" y "El coronel no tiene quien le escriba" ha escrito una nueva obra maestra que no sólo replantea las posibilidades de un tema ya cíclico en la literatura latinoamericana, sino también los límites de las estructuras y técnicas narrativas de la novela de hoy, incorporando la multiplicidad de puntos de vista al contexto del monólogo, apoyando la tensión narrativa en acordes temáticos inesperados y exactos, en la acumulación de precisiones insólitas, en las imágenes de una poesía visionaria expresada en la voz de un narrador natural que es a la vez un maestro incomparable del lenguaje.
