Fearless (Pretty Smart Girls) Shae Ross

A new adult romance from Entangled's Embrace imprint...

Every fighter has a weakness...

Devi Dalton won't let anyone hold her back. With the help of her friends, she's taken control of her future and traded her messed-up family life for a new job in Manhattan. Her only obstacle? Ben Winslow, the sexy friend she's desperately trying to resist. If she's going to succeed, she can't afford to be distracted, no matter how hot the chemistry burns between them.

Cage fighter Ben spent six months trying to convince Devi to take a chance on a relationship. Now that they've reunited in New York, he's not letting her push him away again. They're more than friends-always have been-and he'll do whatever it takes to prove it to her. First, he has a few demons of his own to slay...one of which could ruin his chances with her for forever.

But every fighter has a weakness. Ben's is Devi. And this time, she'll need more than just her favorite "Fearless Red" lipstick to protect her heart if she lets him in...
