Fiery Paranormal Romance,, With a HUGE 20 Book Romance Collection!!!

Andy McCall had no idea what he wanted to do with his life, but dropping out of college to become a firefighter seemed like a good idea. He sailed through his firefighter training to the top of his class, and was offered a slot with a group of elite firemen known as “The Burning Bears.”

Luther Jackson is a whiskey drinking bad boy whose wild exploits are known all over town. His sense of adventure leads him down paths that not everyone is comfortable traveling, but on which he seems to thrive. Soon, a seemingly innocent invitation brings him and Andy together and ignites a suppressed interest in men that Andy has been keeping at bay for years.

When a night alone on patrol leaves them together in the middle of nowhere, they find themselves unexpectedly pursuing their passion in an old fire lookout tower, and interested in spending more time together. However, a mistake while fighting a wildfire blaze will threaten to tear them apart as Andy soon discovers the true nature of “The Burning Bears”—Luther is forced to shift to save him from certain death.

Can Andy accept that the man he has become involved with is a Werebear, or will it be too much for their budding relationship to withstand?
