What if you lost all control of your sexual desire? Taisia Krupin is many lightyears from home, serving as a botanist on the most ambitious terraforming project ever undertaken by humanity. For Taisia, this isn't just a job, it's the only hope of survival for the friends and family she left behind on the Orbital Habitat she calls home. Rob Barrowman is the ERO-5 team leader. Recently divorced, he works hard and plays harder. He's long had his eye on his team's quiet botanist. They knew the work on the sterile planet would be backbreaking, but they didn't expect the collective libido of the team to shoot into the stratosphere. Every night their lust takes over, testing the limits of their self-control. And perhaps ERO-5 isn't as barren as they'd thought. Accidents, sleep deprivation, and their unfettered sexual appetites push them to the brink of disaster. Taisia is the key to keeping the project on track and discovering the secrets of the intense pleasure on ERO-5. Disclaimer: Seeding ERO-5 contains explicit sex, polyamorous sex, lesbian and gay sex, gonzo sex, and sexy tentacles. Buy Seeding ERO-5 now to find out the sexy secrets for yourself!
