Swerve

Vicki Pettersson

Swerve Vicki Pettersson

In the electrifying tradition of Dean Koontz and Gillian Flynn comes the first riveting psychological thriller from the *New York Times* and *USA TODAY* bestselling author!

It's high summer in the Mojave Desert, and Kristine Rush and her fiancé, Daniel, are en route from Las Vegas to Lake Arrowhead, California, for the July Fourth holiday weekend. But when Daniel is abducted from a desolate rest stop, Kristine is forced to choose: return home unharmed, but never to see her fiancé again, or plunge forward into the searing desert to find him...where a killer lies in wait.

One road. One woman. One killer.

Sprinting against the clock, and uncertain if danger lies ahead or behind, Kristine must blaze an epic path through the gaudy flash of roadside casinos, abandoned highway stops, and a landscape rife with horrors never before imagined. Desperate to save her doomed husband-to-be, Kristine must summon long forgotten resources if she's to go head-to-head against this unpredictable killer. And she'd better hurry. Because she only has twenty-four hours...to make one hell of a trip.

From reader reviews:

Steven Holt:

What do you concentrate on book? It is just for students since they're still students or the idea for all people in the world, what the best subject for that? Simply you can be answered for that concern above. Every person has diverse personality and hobby for each other. Don't to be forced someone or something that they don't desire do that. You must know how great in addition to important the book Swerve. All type of book are you able to see on many sources. You can look for the internet options or other social media.

Tom Seaman:

Do you one of people who can't read gratifying if the sentence chained inside straightway, hold on guys this particular aren't like that. This Swerve book is readable by means of you who hate those straight word style. You will find the facts here are arrange for enjoyable studying experience without leaving actually decrease the knowledge that want to give to you. The writer regarding Swerve content conveys the thought easily to understand by many individuals. The printed and e-book are not different in the articles but it just different such as it. So , do you continue to thinking Swerve is not loveable to be your top record reading book?

Royce Britton:

Information is provisions for people to get better life, information presently can get by anyone from everywhere. The information can be a understanding or any news even a huge concern. What people must be consider any time those information which is inside the former life are hard to be find than now's taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you receive the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Swerve as your daily resource information.

Jo Jordan:

Reading a book make you to get more knowledge from the jawhorse. You can take knowledge and information originating from a book. Book is prepared or printed or created from each source that will filled update of news. With this modern era like right now, many ways to get information are available for a person. From media social like newspaper, magazines, science e-book, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Are you ready to spend your spare time to open your book? Or just seeking the Swerve when you necessary it?
