"To read the book is to appreciate the highly contingent, provisional, oblique, open-ended way in which people try to make "sense" of another culture."—Resil B. Mojares, *Philippine Graphic*

"This book is an interestingly complex ethnography that approaches the self-critical dialectical ethnography called for two decades ago....It is a welcome contribution to postmodernist theory and to the ethnography of the Visayas."—Ronald Provencher, *Journal of Asian Studies*
