A History of Nepal

John Whelpton

A History of Nepal John Whelpton

While John Whelpton's history of Nepal focuses on the period since the overthrow of the Rana family autocracy in 1950-51, the early chapters are devoted to the origins of the kingdom and the evolving relations of its diverse peoples. Whelpton portrays a country of extraordinary contrasts, whose history has been buffeted constantly by its neighbors, China and India. Economic and political turmoil over the last fifty years came to a climax with the massacre of the royal family in 2001, when the country erupted into civil war. This book is the most comprehensive and accessible English-language one-volume history of Nepal. John Whelpton, who works as a teacher in Hong Kong, is an historian and linguist. He has worked and traveled extensively in Nepal, and has written numerous articles and books on the subject. These include *Nationalism & Ethnicity in a Hindu Kingdom: The Politics and Culture of Contemporary Nepal* (Routledge, 1997), and *Kings, Soldiers and Priests: Nepalese Politics and the Rise of Jang Bahadur Rana, 1830-1857* (South Asia Books, 1992).
