**Drawing on the Right Side of the Brain Workbook: The Definitive, Updated 2nd Edition** Betty Edwards

***A fully revised and updated edition of the essential companion to Drawing on the Right Side of the Brain—over half of the exercises are new!***

Millions of people around the world have learned to draw using the methods outlined in Dr. Betty Edwards's groundbreaking *Drawing on the Right Side of the Brain*. In this workbook, the essential companion to her international bestseller, Edwards offers readers the key to truly mastering the art of drawing: guided practice in the five foundational skills of drawing.

Each of the forty carefully constructed exercises in this updated second edition is accompanied by brief instruction, sample drawings, ready made formats and blank pages on which to draw, and helpful post-exercise pointers. You will explore wide-ranging subject matter—still life, landscape, imaginative drawing, portraits, and the figure—and gain experience with various mediums, such as pen and ink, charcoal, and Conte crayon.

Learning to draw is very much like mastering a sport or a musical instrument: once you understand the basic skills, you must practice, practice, practice. This brilliantly designed and practical workbook from a world-renowned art teacher offers the perfect opportunity to improve your skills and expand your repertoire.
