Hookup culture creates unfamiliar environment - to parents, at least

Hooking Up: What Educators Need to Know - An op-ed on CHE by the author

It happens every weekend: In a haze of hormones and alcohol, groups of male and female college students meet at a frat party, a bar, or hanging out in a dorm room, and then hook up for an evening of sex first, questions later. As casually as the sexual encounter begins, so it often ends with no strings attached; after all, it was “just a hook up.” While a hook up might mean anything from kissing to oral sex to going all the way, the lack of commitment is paramount.

Hooking Up is an intimate look at how and why college students get together, what hooking up means to them, and why it has replaced dating on college campuses. In surprisingly frank interviews, students reveal the circumstances that have led to the rise of the booty call and the death of dinner-and-a-movie. Whether it is an expression of postfeminist independence or a form of youthful rebellion, hooking up has become the only game in town on many campuses.

In *Hooking Up*, Kathleen A. Bogle argues that college life itself promotes casual relationships among students on campus. The book sheds light on everything from the differences in what young men and women want from a hook up to why freshmen girls are more likely to hook up than their upper-class sisters and the effects this period has on the sexual and romantic relationships of both men and women after college. Importantly, she shows us that the standards for young men and women are not as different as they used to be, as women talk about “friends with benefits” and “one and done” hook ups.

Breaking through many misconceptions about casual sex on college campuses, *Hooking Up* is the first book to understand the new sexual culture on its own terms, with vivid real-life stories of young men and women as they navigate the newest sexual revolution.

From reader reviews:

Judith Joiner:

The book Hooking Up: Sex, Dating, and Relationships on Campus has a lot of information on it. So when you check out this book you can get a lot of benefit. The book was written by the very famous author. The author makes some research prior to write this book. That book very easy to read you may get the point easily after reading this article book.

Peter Cox:

Playing with family inside a park, coming to see the coastal world or hanging out with close friends is thing that usually you will have done when you have spare time, in that case why you don't try point that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Hooking Up: Sex, Dating, and Relationships on Campus, you may enjoy both. It is great combination right, you still would like to miss it? What kind of hangout type is it? Oh can happen its mind hangout people. What? Still don't buy it, oh come on its named reading friends.

Thomas Obrien:

Many people spending their period by playing outside along with friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by reading through a book. Ugh, ya think reading a book can definitely hard because you have to bring the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Cell phone. Like Hooking Up: Sex, Dating, and Relationships on Campus which is having the e-book version. So , try out this book? Let's see.

Irene Gonzales:

As a student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Hooking Up: Sex, Dating, and Relationships on Campus can make you sense more interested to read.
