Like a great leader, a great leadership training aligns the right people to the right task at the right time. Whether you are developing a first-rate leadership development program from scratch or adding to an existing workshop, let leadership expert and master trainer Lou Russell be your guide. The second book in the ATD Workshop Series, Leadership Training presents a step-by-step blueprint to developing and delivering dynamic, powerful leadership training.

Complete with effective training methodologies, this book helps you accelerate learning and leverage technology for maximum efficiency. You'll also find tools to assess leadership strengths and weaknesses. Half-day, full-day, and two-day workshop programs found in this volume make planning easy and can be tailored for the unique needs of your organization. Supplemental resources are available online and include downloadable and customizable presentation slides, handouts, assessments, and tools.

About the series

The ATD Workshop Series is written for trainers by trainers, because no one knows workshops as well as the practitioners who have experienced it all. Each publication weaves in today's technology and accessibility considerations and provides a wealth of new content that can be used to create a training experience like no other.
