Super heroine in peril fiction at its finest!

Young, beautiful, and powerful, Ms Amazing is Synne City's premier super heroine. Unfortunately, the raven-maned, blue-eyed beauty tends to get herself into embarrassing, provocative situations. Ms Amazing recruits a new sidekick, and at the same time suffers a series of "setbacks" in her super heroine and personal life, as vicious billionaires and mobsters are intent on destroying her private sector persona and her super heroine persona. And it seems like everyone, good and bad, wants to get his hands on her.

Warning: This super heroine in peril, urban fantasy erotica story has sizzling hot and explicit consensual sex, as well as nastier forced cum swallowing, forced climaxes, bondage, and catfighting, and lots of super heroine kicking mobster butt. Most of the time.

This is a story of approximately 22,450 words. This is a great story if you want a fun erotic super heroine in peril romp.

Excerpt:

Ms Amazing slowly turned around in the middle of the moaning, groaning bodies. A few were glaring murderously at her, but hurting enough to reconsider attacking again. She knew that wasn't going to last long. They'd all rather fight than go to jail.

"Danica, it's over. Surrender nice and quiet, and I won't have to put any of your boys in the hospital," Ms Amazing said. "Remember my last drug bust, where I put seven of your thugs in the hospital? Nobody wanted to surrender to the inevitable then either."

"Go away, Ms Amazing," Danica said through clenched teeth. "You got nothing on me. Nothing to charge me with."

"What? I witnessed you selling these fine young criminals drugs," Ms Amazing said, walking over to that suitcase. She nudged it with the toe of her blue boot. "Exhibit A in your upcoming trial. One suitcase full of cocaine."

Danica smiled, looking way too pleased with herself. Way too smug.

"Really? It's powered sugar," Danica said. Franco cried out in outrage. "Sorry, Amigo, but it's just business."

Your client cheated me last year. Payback is a bitch."

Ms Amazing scowled at her. If what she said was true, she'd just wasted her valuable time over nothing. Besides, her last comment reminded her of Armand Germaine, and his threat. She sighed gustily, and then bent over and opened the suitcase.

"Let's find out, shall we?" she said.

Really, she'd never done this before. She always let the police confirm the evidence, but she didn't want to embarrass herself by calling them in for nothing. Besides, though she didn't like to admit it, she knew what cocaine tasted like.

The suitcase was filled with brick-shaped plastic bags. She thrust a long, thin stiletto heel into one, licked the tip of her glove's right pinky, and touched it to the white powdery substance. Then she touched the tip of her tongue to it.

"Uggghhh!" she cried, and Danica burst out laughing. "Aaaggggghh!"

Ms Amazing curled up, dropping to her knees. Her body was afire! Her insides turned into liquid heat the instant she touched the Ultra Bliss to her tongue. She knew she'd been tricked, and she should've known better. The Solis Family's main source of income was the manufacture and distribution of Ultra Bliss, the most powerful aphrodisiac in the world. On top of that, Amazons were much more susceptible to all drugs, so she felt it more profoundly than a normal woman would have.

It was instant, mind-blowing orgasm.

"Goddess help me," she groaned out, as Paulie and Edward each seized an arm and lifted her to her feet.
