Some Sort of Crazy (Natalie and Miles): A Happy Crazy Love Novel Melanie Harlow

When a psychic tells Natalie Nixon her life is about to be upended by a mysterious stranger, she laughs it off. After all, she has everything she's ever wanted—a successful bakery, the perfect boyfriend, and the keys to her dream house.

Who could possibly make her want to throw all that away?

Then Miles Haas comes back to town.

But he's no stranger—they've known each other since high school. Plus, he's only around for the summer, he's still a shameless playboy, and he makes a living writing articles for a men's magazine with titles like 'Should You Bang the Boss's Daughter? A Flowchart' and 'Butt Stuff for Beginners: A Field Guide.'

Except he makes her laugh like no one else, smells like heaven, and wears those panty-melting glasses. But he's not the man of her dreams, and she's not about to abandon everything she's worked so hard for just for a little fun.

She's not that crazy...or is she?

****SOME SORT OF CRAZY is a full-length, standalone contemporary romance.****
