The Italian Seminars Wilfred R. Bion

The Italian Seminars, previously unpublished in English, comprises lectures W.R. Bion gave in Rome in 1977. The volume consists of questions from the floor and Bion's fascinating, and sometimes controversial, answers. The lectures are divided in two; the first part was organized by the Italian Psychoanalytical Society and the second by the Group Research of Via Polliolo. Bion's replies examine subjects as diverse as difficulties in the interaction between the therapist and the patient; music and psychoanalysis; non-verbal communication in the consulting room; and methodology in psychoanalysis.
