The long-awaited revised edition!

It's no secret that breastfeeding is the normal, healthy way to nourish and nurture your baby. Dedicated to supporting nursing and expectant mothers, the internationally respected La Leche League has set the standard for educating and empowering mothers in this natural art for generations. Now their classic bestselling guide has been retooled, refocused, and updated for today's mothers and lifestyles. Working mothers, stay-at-home moms, single moms, and mothers of multiples will all benefit from the book's range of nursing advice, stories, and information—from preparing for breastfeeding during pregnancy to feeding cues, from nursing positions to expressing and storing breast milk. With all-new photos and illustrations, this ultimate support bible offers

- real-mom wisdom on breastfeeding comfortably—from avoiding sore nipples to simply enjoying the amazing bonding experience
- new insights into old approaches toward latching and attaching, ages and stages, and answers to the most-asked questions
- strategies for moms who choose to breastfeed for a short time or who plan to nurse for a year or more
- reassuring information on nursing after a C-section or delivery complications
- recent scientific data that highlight the many lifelong health benefits of breastfeeding
- helpful tips for building your support network—at home or when back at work
- nursing special-needs infants, premies, multiples, and how to thrive no matter what curveball life throws
- guidance on breast health issues, weight gain, day care, colic, postpartum depression, food allergies, and medications

Plus—Internet references for further information, including La Leche League support sites and groups.

Mothers bringing babies into a new world want sustainable, healthy, positive ways to help their children blossom and thrive. There is no better beginning for your baby than the womanly art of breastfeeding.

This The Womanly Art of Breastfeeding is great book for you because the content which is full of information for you who also always deal with world and get to make decision every minute. This specific book reveal it information accurately using great coordinate word or we can point out no rambling sentences inside. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but tough core information with splendid delivering sentences. Having The Womanly Art of Breastfeeding in your hand like getting the world in your arm, details in it is not ridiculous one. We can say that no book that offer you world with ten or fifteen tiny right but this book already do that. So , this really is good reading book. Hello Mr. and Mrs. busy do you still doubt which?

Cynthia Tso:

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Womanly Art of Breastfeeding can make you truly feel more interested to read.
