## **Dragons Realm** Tessa Dawn

Mina Louvet is a fighter, a human with a powerful will to survive in a world dominated by warlocks, soul-eaters, and shifters. Identified by the king's witch as one of the rare, invaluable females in Dragons Realm who can give birth to a dragon's son, she was stolen from her parents as a child and taken to the Keep to be reared in the ways of the Ahavi. As one of the few, the elect ~ the Sklavos Ahavi ~ Mina is expected to feed her master's fire, reanimate his blood, and above all else, give him strong dragon offspring: children who will one day rise to power. But Mina, to her great misfortune, is far too intelligent for her own good: She has a stubborn sense of justice, and she is wholly incapable of blind submission. Dante Dragona is as cunning as he is lethal, as methodical as he is dangerous, and as terrifying as he is powerful. As the eldest of three dragon princes, he is destined to succeed his merciless father to the throne of Castle Dragon. But first he must do his duty to the Realm by governing one of its harsh, unforgiving districts and claiming a Sklavos Ahavi. Hardened by the sadistic abuse he endured as a child and shaped by the tragic suicide of his twin, the prince lives only to fulfill his obligations to the monarchy: to maintain law and order in a bestial land, to contain its magical inhabitants, and to keep the kingdom safe from its mortal enemies, the Lycanian shifters across the sea. Like all primordial dragons, he rules with an iron fist, dominates with absolute power, and punishes with fire. Those who oppose him die a swift and brutal death ~ subject, enemy, or slave ~ the Realm has no tolerance for weakness. When the iron resolve of a dragon prince clashes with the stubborn will of a slave, bonds will be broken, alliances will be tested, and a kingdom will be set ablaze. DRAGONS REALM by Tessa Dawn

### From reader reviews:

#### Mary Torres:

Throughout other case, little people like to read book Dragons Realm. You can choose the best book if you love reading a book. As long as we know about how is important the book Dragons Realm. You can add information and of course you can around the world by just a book. Absolutely right, mainly because from book you can know everything! From your country right up until foreign or abroad you will find yourself known. About simple matter until wonderful thing it is possible to know that. In this era, we are able to open a book as well as searching by internet device. It is called e-book. You can use it when you feel bored stiff to go to the library. Let's learn.

#### David Colon:

What do you concerning book? It is not important to you? Or just adding material when you really need something to explain what your own problem? How about your free time? Or are you busy individual? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Everybody has many questions above. They need to answer that question mainly because just their can do which. It said that about e-book. Book is familiar on every person. Yes, it is suitable. Because start from on jardín de infancia until university need this Dragons Realm to read.

#### James Hudson:

The reason why? Because this Dragons Realm is an unordinary book that the inside of the book waiting for you to snap the item but latter it will distress you with the secret that inside. Reading this book beside it was fantastic author who have write the book in such awesome way makes the content interior easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you because of not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of rewards than the other book include such as help improving your proficiency and your critical thinking way. So , still want to postpone having that book? If I had been you I will go to the publication store hurriedly.

#### Ann Ginsberg:

Guide is one of source of information. We can add our knowledge from it. Not only for students but also native or citizen require book to know the update information of year to year. As we know those publications have many advantages. Beside most of us add our knowledge, also can bring us to around the world. From the book Dragons Realm we can get more advantage. Don't you to definitely be creative people? Being creative person must prefer to read a book. Just choose the best book that suited with your aim. Don't possibly be doubt to change your life by this book Dragons Realm. You can more inviting than now.
