There can be only one...for both of them.

Sent back in time to the year 1210 when their Highlander shifter clan first began, three identical brothers known as the 'power of three' must find their mates if they wish to save their future line from extinction.

Fae-blooded Arabel holds the deadly and rare fire-wielder skill, an ability that flares beyond her control when her shifter mate travels to the past and begins closing in on her. Unable to allow an intimacy with him for fear she'll bring about his death, she enlists the aid of one of her fae kind to compel him, so that no matter how many times they might meet, each instance will be as if the first and all other times forgotten.

Highland warrior shifter Finlay Matheson is on a mission to find his mate and each time he meets Arabel, he falls inescapably in love. If only he didn't keep forgetting her each time they parted ways. Determined and unwavering in his mission, when he is called to save Arabel's village from being destroyed by her enemy, he races to aid and protect her.

Battling both love and land, Finlay must find a way for them to be together...and without perishing when they do.
