Get professional-level instruction on Windows 7 deployment tools

Enterprise-level operating system deployment is challenging and requires knowledge of specific tools. It is expected that Windows 7 will be extensively deployed in businesses worldwide. This comprehensive Sybex guide provides thorough coverage of the Microsoft deployment tools that were specifically created for Windows 7, preparing system administrators, MIS professionals, and corporate programmers to tackle the task effectively.

- Companies worldwide are expected to deploy Windows 7 as their enterprise operating system; system administrators and IT professionals need comprehensive instruction on Microsoft's deployment tools
- This complete guide provides clear, step-by-step instruction on planning, installing, configuring, deploying, and troubleshooting deployment methods for each tool
- Covers the Microsoft Assessment and Planning (MAP) Toolkit, Application Compatibility Toolkit (ACT), Windows PE, Windows Automated Installation Kit (WAIK), Windows System Image Manager (WSIM), Easy Transfer, User State Migration Toolkit (USMT), Windows Deployment Services, Microsoft Deployment Toolkit 2010, System Center Configuration Manager, Key Management Service, and Volume Activation Management Tool (VAMT)

Illustrated with plenty of real-world scenarios, *Mastering Windows Deployment* provides the hands-on instruction you need to fully understand and use each deployment technology.

From reader reviews:

Megan Fairbanks:

Have you spare time for any day? What do you do when you have far more or little spare time? Yeah, you can choose the suitable activity to get spend your time. Any person spent their own spare time to take a stroll, shopping, or went to the Mall. How about open or read a book titled Mastering Windows 7 Deployment? Maybe it is to become best activity for you. You already know beside you can spend your time with your favorite's book, you can more intelligent than before. Do you agree with their opinion or you have some other opinion?

Latosha Page:

Spent a free the perfect time to be fun activity to try and do! A lot of people spent their leisure time with their family, or all their friends. Usually they doing activity like watching television, gonna beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? Could possibly be reading a book may be option to fill your free of charge time/ holiday. The first thing that you ask may be what kinds of book that you should read. If you want to try look for book, may be the e-book untitled Mastering Windows 7 Deployment can be very good book to read. May be it could be best activity to you.

Jose Weitzman:

Many people spending their time period by playing outside using friends, fun activity with family or just watching TV the entire day. You can have new activity to shell out your whole day by studying a book. Ugh, do you think reading a book really can hard because you have to accept the book everywhere? It ok you can have the e-book, taking everywhere you want in your Touch screen phone. Like Mastering Windows 7 Deployment which is getting the e-book version. So , try out this book? Let's observe.

Leesa Banta:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book has been rare? Why so many question for the book? But just about any people feel that they enjoy regarding reading. Some people likes reading, not only science book but novel and Mastering Windows 7 Deployment or perhaps others sources were given understanding for you. After you know how the fantastic a book, you feel need to read more and more. Science e-book was created for teacher as well as students especially. Those textbooks are helping them to put their knowledge. In additional case, beside science guide, any other book likes Mastering Windows 7 Deployment to make your spare time more colorful. Many types of book like this one.
