Project Planning, Scheduling and Control: A Hands-On Guide to Bringing Projects in on Time...

James P. Lewis

The classic project manager's handbook, with new chapters and insights that demystify the new PM tools and the PMP® exam

Project Planning, Scheduling, and Control has been the standard guidebook for project managers for more than 15 years. Addressing the key issues you face every day, Jim Lewis's benchmark book brings the subject alive with accessible, nontechnical questions, step-by-step guidelines, and real-world examples and applications. This revised, updated, and expanded fourth edition provides an applications-oriented understanding of the issues you must confront and important tips for passing the Project Management Professional (PMP®) exam.
