The Night Ocean (Fantasy and Horror Classics)

H. P. Lovecraft

The Night Ocean (Fantasy and Horror Classics) H. P. Lovecraft

This early work by H. P. Lovecraft was originally published in 1936. Born in 1890 in Rhode Island, Usa, Lovecraft began writing at a very young age, quickly developing a deep and abiding interest in science. In 1913, Lovecraft joined the Uapa (United Amateur Press Association) but it was four years later, in 1917, that he began to focus on fiction, producing such wellknown early stories as 'Dagon' and 'A Reminiscence of Dr. Samuel Johnson'. However, it was during the last decade of his life that Lovecraft produced his most notable works, such as 'the Dunwich Horror' and 'The Call of Cthulhu' which subsequently earned him his place as one of the most influential horror writers of the 20th century. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions.
