Wild at Heart Field Manual: A Personal Guide to Discover the Secret of Your Masculine Soul John Eldredge

In his book *Wild at Heart*, author John Eldredge thrust a generation of men, young and old, toward a journey to recover true masculinity?the soul of a man as God designed him.

If you've already begun the journey, you know how thrilling?and hard?it can be. So you may have longed for a tool to maximize the impact, a guide to show the way. Packed with new information and insights, the *Wild at Heart Field Manual* guides you along "the road less traveled." Filled with probing questions, creative exercises, and space to record personal field notes, this companion volume is designed to transition you from *reading* about the wild heart to *living* from it.

For too long, the call of Christianity to men has evoked no higher goal, ultimately, than becoming a "nice guy." No wonder many men are bored to tears with church. The hero instinct has been trained out of them. But Eldredge invites men to come alive again, to find *their* great battle, adventure, and beauty.

If you dare . . . keep reading. Your life will never be the same.
