## A sickly tribe can only be saved by one woman and her erotic prophecy...

Outcasts from the rest of the world, the Wood Elves are suffering on all fronts. Their people are killed by plague. Their mothers rarely birth healers. Their money is stolen and their goods are never bought. There seems to be no end to their anguish.

No one in Tuela's tribe of Wood Elves can remember why or how the plague started. When Tuela runs into the dark heart of the woods and is attacked by vines, she comes close to the truth.

While the vines molest her, a shadowy figure watches. It examines her, and it warns her, silently, that what she's going through is necessary.

When she's finally returned to her tribe, she knows she must come back to find out the truth. She needs to know the prophecy, and how it relates to her.

This 3000 word short story is part of a series about the mystery of the dark kingdom in the woods. There is tentacle sex, voyeurism, magic and dubious consent.
