Deconstructing the Hero: Literary Theory and Children's Literature Margery Hourihan

This book sets out to explore the structure and meanings within the most popular of all literary genres - the adventure story. *Deconstructing the Hero* offers analytical readings of some of the most widely read adventure stories such as *Treasure Island*, the *James Bond* stories and *Star Wars*. The book describes how adventure stories are influential in shaping children's perception and establishing values.

When many of these stories define non-white, non-European people as inferior, and women as marginal or incapable, we should be worried about what they are teaching our children to think. **Margery Hourihan** shows how teaching children to read books critically can help to prevent the establishment of negative attitudes, discourage aggression and promote values of emotion and creativity.
