Each conference is different, and each can present a new problem to the unprepared, even to the most experienced conference organiser. This book provides immediate, accessible advice on how to run an effective event, featuring a wealth of practical tips, guidelines, case studies, action checklists, and useful sample material and templates. All areas of organisation are covered, including: managing, planning, contingency planning, targeting, costing and budgeting, housekeeping, administering, assuring the quality of content, evaluating, disseminating and ensuring continuity.
