Guide to Money & Investing

Virginia B. Morris, Kenneth M. Morris

Guide to Money & Investing Virginia B. Morris, Kenneth M. Morris

Since it was first published in 1992, *The Guide to Money & Investing* has been the one of the most widely read primers on financial markets and products. A favorite among novice and active investors, financial professionals, business schools, and students, the guide is both an introduction to and reliable resource for understanding the world of finance.

Written from an investor's perspective, in straight-forward language combined with engaging and often illuminating graphics, the guide clearly explains how the financial markets work, how capital is created, and how money constantly changes in value. It describes traditional financial products—stocks, bonds, and mutual funds—as well as ETFs, options, and futures contracts, and introduces alternatives such as hedge funds and forex.

If you want to understand what you read or hear in the financial news every day and how what's happening affects your own investment portfolio, the *Guide to Money & Investing* is a must-read. Whether or not you work with a financial adviser, you'll find that the guide is invaluable in thinking through your investment choices.

The *Guide to Money & Investing* is easy to read but not dumbed-down, comprehensive but not mired in detail. You'll enjoy the wit and humor, the colorful graphics, and the memorable explanations. If you have only one investment guide on your shelf or on your mobile, this is the one to have.

Content includes topics on: Capital Markets, Market Regulation, Role of the SEC, Global Capital Markets, International Investing, The Federal Reserve System, Stock Markets, Evaluating Companies, Buying on Margin, Selling Short, Market Cycles, Fundamental and Technical Analysis, Clearance and Settlement, Securitization, Rating Bonds, Bond Prices, Buying and Selling Bonds, Indexes as Benchmarks, Index Mutual Funds, Exchange Traded Funds, Evaluating Mutual Funds, Fund performance, Mutual Fund Fees, International Funds, Options Trading, Options Strategies, Index Options, Researching Options, Futures: Derivative Products, Futures Contracts, Hedge Funds, Private Equity Investment, Real Estate Investment Trusts, Alternative Investments, and more.

From reader reviews:

Caroline Gonzalez:

In this 21st century, people become competitive in every way. By being competitive now, people have to do something to make all of them survive, being in the middle of typically the crowded place and notice through surrounding. One thing that often many people have underestimated the item for a while is reading. Yep, by reading a reserve your ability to survive increase then having chance to remain than other is high. For you who want to start reading the book, we give you that Guide to Money & Investing book as beginning and daily reading book. Why, because this book is usually more than just a book.

Rodolfo Buker:

Here thing why this Guide to Money & Investing are different and trusted to be yours. First of all examining a book is good however it depends in the content of computer which is the content is as scrumptious as food or not. Guide to Money & Investing giving you information deeper as different ways, you can find any e-book out there but there is no publication that similar with Guide to Money & Investing. It gives you thrill examining journey, its open up your own personal eyes about the thing that will happened in the world which is possibly can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your method home by train. If you are having difficulties in bringing the paper book maybe the form of Guide to Money & Investing in e-book can be your substitute.

Kenneth Armstrong:

Reading a book can be one of a lot of activity that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new info. When you read a e-book you will get new information due to the fact book is one of many ways to share the information or their idea. Second, reading through a book will make you more imaginative. When you reading through a book especially fictional book the author will bring someone to imagine the story how the character types do it anything. Third, you could share your knowledge to some others. When you read this Guide to Money & Investing, you may tells your family, friends in addition to soon about yours e-book. Your knowledge can inspire others, make them reading a guide.

John Parish:

Reading a book tends to be new life style on this era globalization. With looking at you can get a lot of information that may give you benefit in your life. With book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire all their reader with their story or their experience. Not only the story that share in the guides. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on this planet always try to improve their expertise in writing, they also doing some analysis before they write to the book. One of them is this Guide to Money & Investing.
