Starfire Vol. 1: Welcome Home Amanda Conner, Jimmy Palmiotti

Amanda Conner and Jimmy Palmiotti-the twisted minds behind the New York Times best-selling series HARLEY QUINN-introduce Starfire's first ongoing series!

Life is bright and beautiful in Florida's Conch Republic. Warm weather, laidback attitudes, an orange-skinned alien warrior princess, tons of sunshine...wait a minute. That's right: Princess Koriand'r of the planet Tamaran, the former Outlaw known as Starfire, has relocated to Key West.

Starfire is determined to start a new life for herself-a normal life. But assimilation is easier said than done. Though she quickly makes new friends (some of whom want to get very friendly), Kori finds the Sunshine State more challenging than she expected. She'll fly through the eye of a raging hurricane and battle aliens and subterranean creatures; but, first and foremost, she'll need to find a roof to put over her head and a job to pay for it.

Is Kori ready for a life in Key West? Is Key West ready for a life with Starfire?

Collects STARFIRE #1-6 and DC SNEAK PEEK: STARFIRE #1.

From reader reviews:

Ashley Staley:

As people who live in the modest era should be revise about what going on or info even knowledge to make these keep up with the era that is always change and advance. Some of you maybe will certainly update themselves by examining books. It is a good choice for yourself but the problems coming to an individual is you don't know what one you should start with. This Starfire Vol. 1: Welcome Home is our recommendation to make you keep up with the world. Why, since this book serves what you want and need in this era.

Yasmin Parker:

Playing with family in a very park, coming to see the ocean world or hanging out with friends is thing that usually you may have done when you have spare time, in that case why you don't try matter that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Starfire Vol. 1: Welcome Home, you could enjoy both. It is fine combination right, you still desire to miss it? What kind of hang type is it? Oh occur its mind hangout people. What? Still don't understand it, oh come on its identified as reading friends.

Jon Estrada:

Reading a book to become new life style in this year; every people loves to study a book. When you read a book you can get a great deal of benefit. When you read publications, you can improve your knowledge, due to the fact book has a lot of information upon it. The information that you will get depend on what kinds of book that you have read. If you want to get information about your research, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, these us novel, comics, and soon. The Starfire Vol. 1: Welcome Home will give you new experience in reading through a book.

Edward Stevenson:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Starfire Vol. 1: Welcome Home can make you feel more interested to read.
