Sweet Madness: A Study of Humor

William F. Fry

Sweet Madness: A Study of Humor William F. Fry

Written for all who are interested in the mechanics of humor, *Sweet Madness* presents a general discussion and introduction to the roles of paradox, metaphor, and fantasy in humor. The operation of the implicit and the unconscious in humor; the importance of humor to human life; and the development, from childhood on, of the sense of humor are discussed.

The background for this serious study is drawn from such fields as psychiatry, psychology, anthropology, and sociology. William F. Fry, in this work, presents a new theory of the structure of humor based on the sometimes little understood psychological processes experienced by those who use humor or are exposed to humor. It is these relationships with other fields of study that allows for this investigation into the anatomy of humor.

Fry, in this outstanding and erudite volume, takes a giant step in furthering our thinking about humor in transactional terms. Humor and a sense of humor are a vital part of human interactions, and as such, this book has much to contribute to the study of psychology, cultural, communications, and of course humor itself.

Melissa Conner:

The book Sweet Madness: A Study of Humor has a lot info on it. So when you check out this book you can get a lot of help. The book was written by the very famous author. Mcdougal makes some research just before write this book. This particular book very easy to read you can obtain the point easily after reading this article book.

John Casteel:

Playing with family in the park, coming to see the water world or hanging out with friends is thing that usually you might have done when you have spare time, in that case why you don't try factor that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Sweet Madness: A Study of Humor, you could enjoy both. It is great combination right, you still want to miss it? What kind of hang type is it? Oh seriously its mind hangout folks. What? Still don't obtain it, oh come on its called reading friends.

Kelly Breedlove:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Sweet Madness: A Study of Humor can make you truly feel more interested to read.
