Live Free or Die Duke Southard

Brad Wallace's obsession with vengeance has cost him his marriage, his career, and his life. When he disappears beneath the surface of Lake Winnepesaukee, his former friends consider it a sad end to a life that went off the rails long ago. But Detective Parker Havenot isn't convinced that the self-proclaimed agent for justice would give up so easily. He and his wife, Josie Wallace Havenot, suspect that Brad faked his own suicide as a cover for whatever new vigilante acts he's planned. Investigating a series of strange and seemingly unrelated events, Parker discovers that Brad is not only alive, but working with Univac Redux, a company carrying out nebulous technological experiments. Can Parker connect the dots before Brad makes his next move?
