In the cutthroat world of politics and crime, nothing is more dangerous than love.

Ciara Simmons takes her journalism degree and her knife-edged ambition to New York City, where she goes undercover on former playboy Luka Belmonte's mayoral campaign.

She soon learns Luka's darkest secret: to run the city, the charming, seductive son of one of NYC's most famous politicians will have to get in bed with the mafia.

Just like his father did.

Exposing him would be a public service, and guarantee her reputation as a rising star of journalism.

There's just one problem ... she'd rather ride him than ruin him.

Luka is determined to shed his party-boy image and ascend to the pinnacle of NYC politics. He'll do whatever it takes, even deal with mobsters.

The one thing he didn't count on was smart, stunning Ciara. Her refusal to throw herself at his feet only makes her sexier.

He knows she's a threat, but all he wants to do is take her for his own—and protect her from harm.

With danger on every side, Luka and Ciara must decide whether to honor old loyalties ... or forge new ones that could cost them everything

****Run This Town 2, the sequel and conclusion, is out now!****
