Issue #11 :

Golden Age Comics return... the modern way!!!
FULL COLOR PAGES!

Rookie patrolman Dan Garret originally fought crime as the Blue Beetle without the benefit of superhuman abilities. Garret later donned a bulletproof blue costume (described by Garret as being chain-mail made of a cellulose material which was "as thin and light as silk but stronger than steel") and temporarily gained superhuman strength and stamina by ingesting the mysterious "Vitamin 2X". Like the Green Hornet, the Blue Beetle would use his signature scarab symbol to bedevil criminals, leaving it to be easily found, hanging it down into a room on a string and even projecting its enlarged image onto a wall with a flashlight.

Now you can enjoy his adventures in the new KINDLE COMIC FORMAT!
And with the ZOOM mode for the dialogues: just double-TAP on the balloons, and your Kindle (or any Tablet) will open a magnification window in order to make your reading experience more enjoyable and relaxing.
