The Drawing Club of Improbable Dreams: How to Create a Club for Art Cat Bennett

The Drawing Club of Improbable Dreams shows how to create a drawing club to grow our art and creative selves. What makes this drawing club different from a regular drawing class is the one rule we apply to all we do. Rather than looking for what's wrong, we look for what's strong and interesting, for what we love and what we most desire, and then we learn how to build on that. The book gives instructions for how to get going and lesson plans for three full 8-week sessions that will take a club through its first year. The exercises are designed to hone skills, visual thinking and the ability to explore freely without fear of mistakes. We learn too how a club can become a sanctuary for creative exploration and for being the artists we dream of being.
