New York Times Best Selling Novel..... The Game Plan Spend the next 40 years in prison or break her lease early? Normally she'd be able to say that this one was a no-brainer, but things have definitely changed since she was forced to move in across the hall from Danny Bradford. A lot of things..... She wanted to get through one day, just ONE day without Danny Bradford doing something to test the limits to her control, but with that damn smile of his and his habit of leaving her contemplating manslaughter, she didn't see that happening anytime soon. He loved his family, but some days..... It was too much, but that was okay, because his small neighbor living across the hallway provided him with endless hours of entertainment. Not on purpose of course, but did it really matter as long she made him smile? Show less
