The Leader Who Had No Title Robin Sharma

The leader who had no title is a self-help guide designed to make readers understand that that can be good leaders, in their personal and professional lives. The story begins by showing how a young army veteran is struggling to find a purpose in his life. This is when Tommy Flinn enters. Flinn introduces the army man to four different individuals, who show the young man how to lead a meaningful life. The leader who had no title is sure to awaken your inner leader, and turn your life around. The author lists a few practical tools that one can use in order to become a better leader. He says that it is important to carefully listen to what others are saying. It is also crucial that you use words that are always motivational and encouraging, instead of demeaning. This guide will teach readers to identify good opportunities in life, and then seize them. It also explains how to build a great team, and influence people correctly. Sharma explains that regardless of your position or current condition, you can show your leadership skills anywhere and everywhere. He also elaborates on why it is important to shift from victimhood into leadership. The leader who had no title contains methods that will help readers become physically and mentally strong. It explains how to destress, have a good work-life balance, and build an unbeatable mindset. The leader who had no title can transform your life, and make your brilliance shine through. The first edition, published in Kannada by Jaico Publishing House in 2012, is available in paperback. Key features: the book is an international bestseller.
