Music journalist Tru Bennett has done the impossible: capture the heart of rock-star bad boy Jake Wethers. Now they're busy planning a wedding and navigating their new life together in the US. Of course Tru misses London and her best friend, Simone, but living happily ever after with Jake in LA is going to be great...right?

Wrong. Even the bright California sun can't whitewash the dark side of celebrity coupledness. Greedy music execs, merciless paparazzi, and Jake's wild past are lurking around every corner. Making matters worse, Jake announces he doesn't want kids, which just may be a deal breaker.

Tru loves Jake more than anything. But when a devastating crisis threatens to destroy everything they've fought for, the couple must face the hard truth: What if, this time, love is not enough?
