**From Book 1:** The guy she wants...

Growing up on the coast of Maine with a revolving door of foster siblings, Caitlyn Michaud spent one intense and passionate year falling in love with her foster brother, Heath. Then he left without a word.

Isn't the guy she needs...

Determined to move on, in college Caitlyn has risen above her small town impoverished roots and has joined a sorority, reinvented her appearance, and landed the right boyfriend in frat president Ethan.

But the perfect world she tried so hard to attain is ripped apart when Heath appears one night out of nowhere. Out of the military, Heath is as brooding and intense as ever, and he is determined not only to win her back, but to exact revenge on everyone who kept him from her...

And when one love allows her to breathe, but the other feels as essential to her life as air, how does she choose between them?
